

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3311/P1dn
FFK:sac:jf

October 3, 2013

To Jon:

Upon your instruction, this draft does not include the technical aspects of creating an authority, which includes numerous cross-references. Adding the cross-references to this draft will require you to decide how you want this authority to be treated for numerous purposes.
